

**Welcome, best players
in Northwest Arkansas!**

ARKANSAS PREMIER PICKLEBALL LEAGUE

ABOUT APPL

The Arkansas Premier Pickleball was founded by Casey Garretson in 2024. We love what he has created and have decided to add it to our annual Matrix programming. Let's get into it!

75 players

Team Uniforms

highly encouraged

Format

MLP

5:30pm

first point begins

Team

1 female. 3 male.

Divisions

Premier and
Challenger

6 weeks

round robin
followed by
playoffs

Fun

The reason we
are here! Good
Sportsmanship.

TEAM MATCHES

SIDE OUT SCORING

Games go to 11 points and a team must win by two.

Dreambreakers will still be played to 21, and remain rally scoring, win on your serve, and win by two.

5 WEEKS OF ROUND ROBIN PLAY

Each week, your team will compete in two team matches, ensuring you face every team twice before the playoffs.

WEEK 6 IS THE PLAYOFFS

Match 1: #3 seed vs. #6 seed

Match 2: #4 seed vs. #5 seed

Semifinal 1: #1 seed vs. winner of Match 2

Semifinal 2: #2 seed vs. winner of Match 1

Final: Winners of the semifinals

TOP TEAMS

CHAMPION

RUNNER UP

The Champions and Runner Ups of the Premier division will move on to play the winners of the Little Rock and Oklahoma leagues at Matrix! Date TBD but most likely the first weekend in May.

WELCOME TO THE DRAFT

Starting Order: The captain with the lowest DUPR gets the first pick.

Snake Draft Format: After the first round, the order reverses. The captain who picks last in Round 1 picks first in Round 2.

Team Composition: Each team must consist of 3 males and 1 female, and they can pick them in any order during the draft. 9 total players per team. 9th pick will serve as the team sub.

Time Limit: Each selection must be made within 1 minute to keep the draft moving smoothly.

Divisions: The first 3 rounds of drafted players will compete in the Premier division. The following 4 rounds will join the Challenger division. The 9th and final pick will serve as the team's sub.

CURRENT STANDINGS

Starting Order: The captain with the lowest DUPR gets the first pick.

Snake Draft Format: After the first round, the order reverses. The captain who picks last in Round 1 picks first in Round 2.

Team Composition: Each team must consist of 3 males and 1 female, and they can pick them in any order during the draft. 9 total players per team. 9th pick will serve as the team sub.

Time Limit: Each selection must be made within 1 minute to keep the draft moving smoothly.

Divisions: The first 3 rounds of drafted players will compete in the Premier division. The following 4 rounds will join the Challenger division. The 9th and final pick will serve as the team's sub.

CAPTAINS RESPONSIBILITIES

Team Leadership - Ensure all team members understand the rules, match format and code of conduct set forth by Matrix.

Subs: Captains are responsible for finding subs for their team.

Rules: Captains are responsible for knowing and following all rules of the league.

Dispute Resolution: Address an on-court disputes in a professional manner.

Line Up Submission: Captains are responsible for submitting line ups following the coin toss.

Punctuality & Match Flow: Captains must ensure their team is ready to play by 5:30 PM sharp for the first point. They are also responsible for minimizing downtime between matches to keep play running smoothly.

OFFICIAL RULES & POLICIES GUIDE

Starting Order: The captain with the lowest DUPR gets the first pick.

Snake Draft Format: After the first round, the order reverses. The captain who picks last in Round 1 picks first in Round 2.

Team Composition: Each team must consist of 3 males and 1 female, and they can pick them in any order during the draft. 9 total players per team. 9th pick will serve as the team sub.

Time Limit: Each selection must be made within 1 minute to keep the draft moving smoothly.

Divisions: The first 3 rounds of drafted players will compete in the Premier division. The following 4 rounds will join the Challenger division. The 9th and final pick will serve as the team's sub.
